

TOHS Girls Soccer Commitment 2020-2021

Since its inception, the Conejo Valley Unified School District and TOHS has strived to offer the most comprehensive array of enrichment programs, athletics and extracurricular activities, particularly those deemed the most valuable by our community. Girls Soccer is pleased to offer a comprehensive and enriching educational experience to every participating student. State law requires us to provide a public education free of charge. Subject to certain exceptions, the right to a free public education means we cannot require students or their families to purchase materials, supplies, equipment or uniforms for any school activity, to pay security deposits for access, participation, materials, or equipment, or to make donations to a class, activity or program.

However, as it has been explained in other documents provided to you, Girls Soccer incurs expenses which are not covered by CVUSD. To pay for these important components of our program, we rely heavily on donations from parents and others, as well as various fundraising events. These donations directly benefit our students and make possible all of our planned activities and experiences — without this financial and logistical support from participating families we simply cannot maintain the quality program we want to continue to provide for our students. If we are unable to meet our fundraising goals, through both donations and fundraising events, it will be necessary to forego some of those activities and experiences.

Based on our planned activities and the projected costs of those activities, we are asking for a donation from each family. This requested donation is calculated by the cost of coaching stipends, training equipment, game equipment, t-shirts, uniforms, welcome meeting, banquet, senior night, website, banking, and office supplies. The requested donation is calculated at:

\$325 for Fr/So, \$350 for JV, and \$375 for Varsity.

This amount does not include the requested contribution for transportation.

Needless to say, we happily accept donations in excess of the requested amount!

Below we ask that you pledge your generous contribution to Girls Soccer and, if possible, that you submit your donation in full along with this form. You may, if you prefer, submit some or all of your donation at a later time, but in order for us to realistically budget and plan all activities and experiences all pledged funds must be collected on or before March 30, 2021. Please indicate below the amount you are willing to pledge to support this program so we may determine if it will be possible to offer all planned activities and experiences. Thank you.

Please check all that apply:

Fundraising Commitment Form

2020-2021

Girls Soccer is pleased to offer a comprehensive and enriching educational experience to every participating student. To provide this experience we rely heavily on not only monetary donations from parents and others, but assistance at various fundraising events as well.

State law requires us to provide a public education free of charge, and the California Department of Education has concluded that this law prohibits schools from requiring parents of students to work at fundraising events and activities as a condition of allowing their child to participate in an educational activity. Assisting at fundraising events is therefore voluntary. However, the support of all parents at these events is critical to their success and the overall success of the Girls Soccer Team.

Based on our planned fundraising activities, we are asking each family to commit to volunteering in the following ways: at the snack shack, the announcing booth, or time keeping at home games. Or as a team photographer or a team parent (see game schedules), AND at the Holiday Tournament Fundraiser (December 28 and January 4). Needless to say, we happily accept the most pledged time you can give!

Please indicate below your commitment to assisting at the above specified events and activities:
